<i>Introduction</i>	xxxi

Part One

Getting Started

Chapter 1 • Using QuickBooks for the First Time	1
What to Do Ahead of Time	2
Deciding on the Start Date	2
Gathering the Information You Need	3
Cash Balances	4
Customer Balances	4
Vendor Balances	4
Asset Balances	4
Liability Balances	4
Payroll Information	5
Inventory Information	5
Understanding the General Ledger	5
Assets	6
Liabilities	6
Equity	6
Revenue	7
Expenses	7
Other Useful Information to Have Available	8
Launching the Software	8

Creating Your Company File	9
Using the EasyStep Interview	10
Performing a Manual Setup	16
The QuickBooks Software Window	17
The QuickBooks Coach	17
Basic QuickBooks Window Elements	18
Home Page	18
QuickBooks Centers	19
Customizing the Icon Bar	21
Changing the Order of Icons	21
Changing the Icon Bar Display	22
Removing an Icon	22
Adding an Icon	22
The Favorites Menu	23
Closing QuickBooks	24

Chapter 2 • The Chart of Accounts	25
Using Numbered Accounts	26
Enabling Account Numbers	26
Creating a Numbering Scheme	28
Creating Ranges of Numbers	29
Naming Accounts	30
Creating Accounts	31
Select From Examples	32
Optional Fields for Accounts	34
Using Subaccounts	36
Viewing Subaccounts	36
Creating Subaccounts	37
Multiple Levels of Subaccounts	37
Showing Lowest Subaccounts Only	38
Editing Accounts	38
Deleting Accounts	39
Making Accounts Inactive (Hiding Accounts)	39
Merging Accounts	40

Chapter 3 • Configuring Customers and Jobs	41
The Customer Center	42
Customizing the Customers & Jobs List	43
Customizing the Customer Information Pane	44
Creating a Customer	45
Address Info Tab	45
Additional Info Tab	47
Payment Info Tab	50
Editing and Adding Multiple Customer Records	52
Editing an Individual Customer Record	54
Using Jobs	55
Creating Jobs	55
Editing Jobs	58
Deleting Customers & Jobs	58
Making Customers & Jobs Inactive (Hiding)	59
Merging Customers or Jobs	60
Using Custom Fields	61
Adding a Custom Field for Names	61
Adding Data to Custom Fields	62
Securing Customer Credit Card Information	63
Summary of the QuickBooks Credit Card Protection Feature	64
Managing Complex Passwords	64
Enabling Credit Card Protection	66
User Permissions for Viewing Credit Card Information	68
Viewing the Security Log	69
Chapter 4 • Configuring Vendors	71
The Vendor Center	72
Customizing the Vendor Center	73
Creating Your Vendors List	75
Currency	76
Vendor Address Info Tab	76
Establishing Protocols for Vendor Names	76

Vendor Additional Info Tab	77
Account Prefill Tab	78
Editing Vendor Information	79
Adding and Editing Multiple Vendor Records	80
Deleting a Vendor	82
Making a Vendor Inactive (Hiding a Vendor)	83
Merging Vendors	83
Using Custom Fields in Vendor Records	84
Adding a Custom Field for Names	84
Adding Data to Custom Fields	85
Creating 1099 Vendors	86
Configuring 1099 Options	86
Marking Vendors as 1099 Recipients	87
Managing Transactions for 1099 Vendors	87
<hr/>	
Chapter 5 • Creating Other Lists You Need	89
Fixed Asset Item List	90
Price Level List	91
Creating a Price Level	91
Linking Price Levels to Customers	92
Currency List	93
Class List	93
Creating a Class	94
Creating a Subclass	94
Other Names List	95
Profile Lists	96
Sales Rep List	96
Customer Type List	97
Vendor Type List	97
Job Type List	97
Terms List	97
Customer Message List	98
Payment Method List	99
Ship Via List	99
Vehicle List	99

Chapter 6 • Creating Items	101
Understanding How Items Are Used	102
Understanding Item Types	103
Building Your Item List	104
How to Create a Service Item	104
Creating the Other Items in Your Item List	106
Subitems	108
Creating and Using Custom Fields for Items	108
Collecting Sales Tax Using Sales Tax Items	109
Sales Tax Items	109
Sales Tax Codes	111
Sales Tax Payment Basis	111
Sales Tax Payment Dates	111
Creating and Using Tax Groups	112
Assigning Sales Tax Codes and Items to Customers	113

Chapter 7 • Setting Up Inventory	115
What Is an Inventory Item?	116
Setting Up QuickBooks for Inventory Tracking	116
Enabling Inventory Tracking	117
Accounts Required for Inventory	118
Creating Inventory Items	118
Using Subitems	119
Creating the Parent Item for a Subitem	120
Creating Subitems	121
Using Purchase Orders	122
Creating a Purchase Order	122
Using the Manufacturer's Part Number in Purchase Orders	123
Running Inventory Reports	125
Inventory Valuation Summary Report	125
Inventory Valuation Detail Report	126
Inventory Stock Status	126
Physical Inventory Worksheet	126
Pending Builds	127
Inventory QuickReports	127

Counting Inventory	127
Printing the Physical Inventory Worksheet	127
Planning the Physical Count	129
Making Inventory Adjustments	129
About the Inventory Adjustment Account	132
Understanding the Postings	133
Making Other Adjustments to Inventory	133
Workaround for Backorders	133
Tracking Customer Backorder Preferences	134
Recording a Backorder Invoice	138

Chapter 8 • Entering Your Starting Balances	141
What Is an Opening Trial Balance?	142
Ten Steps to Creating an Accurate Opening Trial Balance	143
1. Gather All the Information You Need	143
2. Enter Beginning Balances for Simple Balance Sheet Accounts	143
3. Enter Bank Account Balances	144
4. Enter Outstanding Checks and Deposits	145
5. Enter Unpaid Accounts Receivable and Accounts Payable Transactions	145
6. Enter Non-posting Transactions	146
7. Enter Mid-year Income and Expenses (if Applicable)	146
8. Adjust Sales Tax Payable	146
9. Establish Inventory Balances	147
10. Zero Out the Opening Balance Equity Account	148
Run Your QuickBooks Trial Balance Report as of Your Start Date	148

• Part Two

• Bookkeeping with QuickBooks

Chapter 9 • Invoicing Customers	151
Creating Invoices	152
Entering Header Information	153
Entering Line Items	155

Applying Price Levels	156
Entering Discounts	157
Entering Subtotals	157
Checking the Footer Section	158
Saving the Invoice	160
Using Estimates	160
Creating an Estimate	160
Creating Multiple Estimates for a Job	160
Duplicating Estimates	161
Memorizing Estimates	161
Creating Progress Billing Invoices	162
Choosing the Estimated Job	162
Entering Progress Invoice Line Items	164
Changing Line Items	164
Editing Invoices	166
Voiding and Deleting Invoices	166
Understanding the Postings for Invoices	167
Issuing Credits and Refunds	168
Creating Credit Memos	168
Applying Credit Memos	169
Printing Packing Slips	172
Printing the Default Packing Slip	172
Using Memorized Invoices	173
Invoicing Customers for Reimbursable Expenses	175
Configuring Reimbursement Settings	175
Creating a Transaction for Reimbursable Expenses	176
Adding Reimbursable Costs to the Sales Transaction	177
<hr/>	
Chapter 10 • Receiving and Tracking Customer Payments	181
Handling Invoice Payments	182
Setting Default Options for Receiving	
Customer Payments	182
Recording Invoice Payments	183
Calculating the Payment	184
Applying Payments to Invoices	185
Handling Underpayments	186

Applying Credits to Invoices	187
Applying Discounts for Timely Payments	189
Applying Discounts for Untimely Payments	191
Posting Discounts	191
Turning Payments into Bank Deposits	191
Printing a Receipt for an Invoice Payment	192
Understanding Customer Payment Postings	192
Handling Cash Sales	193
Entering Cash Sale Data	194
Printing a Receipt for a Cash Sale	195
Customizing the Cash Receipts Template	196
Handling Batches of Cash Sales	196
Understanding the Cash Sale Postings	197
Tracking the Till in QuickBooks	197
Making Bank Deposits	199
Choosing the Payments to Deposit	199
Filling Out the Deposit Slip	201
Printing Deposit Slips	204
Handling the Over and Short Problem	204
Creating Over and Short Accounts	204
Creating Over and Short Items	205
Tracking Accounts Receivable	205
Using Finance Charges	206
Sending Statements	210
Entering Statement Charges	210
Creating Statements	212
Previewing the Statements	215
Printing the Statements	215
Customizing Statements	215
Running A/R Aging Reports	215
A/R Aging Summary Reports	216
A/R Aging Detail Reports	217
Customizing Aging Reports	217
Memorizing Aging Reports	220
Printing Reports	221
Running Customer and Job Reports	221

Chapter 11 • Managing Vendor Bills	223
Recording Vendor Bills	224
Easy One-Account Posting	225
Splitting Expenses Among Multiple Accounts	226
Reimbursable Expenses	227
Options for Managing Reimbursable Expenses	228
Configuring Reimbursement Tracking	228
Recording Reimbursable Expenses	231
Managing Inventory Item Purchases	233
Receiving Inventory Items Without a Bill	233
Recording Bills for Items Already Received	235
Receiving Items and Bills Simultaneously	236
Recording Vendor Credits	237
Entering Recurring Bills	238
Creating a Memorized Bill	239
Using a Memorized Bill	240
Creating Memorized Bill Groups	240
Adding Memorized Bills to Groups	241

Chapter 12 • Paying Vendors	243
Choosing What to Pay	244
Viewing Your Unpaid Bills	244
Choosing the Bills to Pay	245
Paying Bills in Full	247
Making Partial Payments	248
Using Discounts and Credits	248
How QuickBooks Posts Your Bill Payments	249
Applying Credits	250
Sending the Payments	251
Using Direct Disbursements	252
Manual Direct Disbursement Checks	252
Printing Direct Disbursement Checks	254
Postings for Direct Disbursements	254

Remitting Sales Tax	254
QuickBooks' Manage Sales Tax Feature	255
Running Sales Tax Reports	256
Remitting the Sales Tax	257
Adjusting Sales Tax Amounts	258
<hr/>	
Chapter 13 • Managing Bank and Credit Card Accounts	259
Depositing Money That Isn't from Customers	260
Using the Account Register for Deposits	260
Using the Make Deposits Window	261
Assigning a Payee to a Noncustomer Deposit	261
Assigning Accounts to Noncustomer Deposits	263
Transferring Funds Between Accounts	263
Using the Transfer Funds Transaction Window	263
Handling a Bounced Check	265
Create an Item NSF Check	265
Create an Item for Your NSF Charge to Your Customer	265
Adjust the Original Invoice to Recover the Amounts Owed	265
Record Your Bank's NSF Charge to You	266
Voiding Disbursements	267
Tracking Cash Disbursements	267
Tracking the Petty Cash Till	268
Putting Money into the Petty Cash Till	268
Recording Petty Cash Disbursements	269
Tracking Other Cash Withdrawals	270
Managing Credit Card Transactions	270
Create a Credit Card Account	270
Treat the Credit Card as a Bill	272
<hr/>	
Chapter 14 • Reconciling Bank Accounts	273
Getting Ready to Reconcile	274
Checking the Register	274
Reconciling in QuickBooks	275
The Begin Reconciliation Window	275

Enter Interest Income and Service Charges	276
Clearing Transactions	277
Configuring the Reconcile Window	277
Clearing Transactions	278
Adding Transactions During Reconciliation	278
Adding Undeposited Funds During Reconciliation	279
Deleting Transactions During Reconciliation	279
Editing Transactions During Reconciliation	279
Resolving Missing Check Numbers	280
Finishing the Reconciliation	281
Pausing the Reconciliation Process	281
Finding and Correcting Problems	281
Permitting an Adjusting Entry	282
Printing the Reconciliation Report	282
Troubleshooting Differences in the Beginning Balance	284
Viewing the Discrepancy Report	285
Correcting Opening Balance Differences	286
Viewing the Last Reconciliation Report	287
Undoing the Last Reconciliation	287
Giving Up the Search for a Reason	288
Chapter 15 • Using Online Banking Services	289
Understanding Online Banking	290
Setting Up Online Banking	291
Finding Your Bank Online	291
Enabling Online Access for Direct Connect	293
Enabling Online Access for Web Connect	296
Using the Online Banking Center	299
Downloading Transactions	300
Viewing the Downloaded Transactions	300
Matching Transactions	301
Adding Transactions to the Bank Register	302
Deleting Unmatched Transactions	305
Using QuickBooks to Pay Your Bills Online	306
Using the QuickBooks Bill Pay Service	306

Transferring Money Between Accounts Online	307
Using the Transfer Funds Function	307
Using the Bank Register to Transfer Funds	307
Receiving Customer Payments Online	308
<hr/>	
Chapter 16 • Tracking Time and Mileage	309
Setting Up Time Tracking	310
Configuring Workers	311
Configuring the Tasks	312
Using Timesheets	313
Setting the Format for Displaying Time	314
Tracking a Single Activity	314
Using the Stopwatch	316
Using Weekly Timesheets	316
Copying Previous Timesheets	317
Reporting Timesheet Information	318
Running Timesheet Reports	318
Editing Entries in a Report	318
Editing the Original Timesheets	318
Printing the Weekly Timesheets	319
Using Online Timesheets	320
Tracking Mileage	320
Entering Mileage Rates	321
Creating a Mileage Item	321
Entering Mileage	322
Creating Mileage Reports	323
<hr/>	
Chapter 17 • Running Payroll	325
QuickBooks Do-It-Yourself Payroll Services	326
Direct Deposit	326
Signing Up for Payroll Services	327
Configuring Payroll Elements	327
Accounts	327
Vendors	328
Payroll Items	329

Setting Up Employees	332
Create an Employee Template	332
Creating Employees	333
Understanding Employee Types	337
Entering Historical Data	338
Understanding Historical Data	339
Entering the History Manually	339
Manually Entering Payroll History in Batches	340
Using the QuickBooks Payroll Setup Wizard	341
Company Setup for Payroll	342
Setting Up Employees in the Wizard	343
Setting Up Payroll Taxes in the Wizard	343
Entering Payroll History in the Wizard	343
Payroll Checkup	344
Payroll Schedules	344
Assigning Payroll Schedules to Employees	346
Running Payroll	346
Changing Paycheck Data	347
Reviewing the Payroll Run	348
The Employee Center	350
Employee Tab	350
Transactions Tab	351
Payroll Tab	351
Customizing the Employee Center	351
Chapter 18 • Payroll Reports and Remittances	353
Confirming Payroll Remittance Schedules	354
Using the Scheduled vs. Using the Unscheduled	
Liabilities Window	355
Remitting Liabilities	355
Sending Federal Tax Payments	357
941/943 Payments	357
940 Payments	358
Remitting State and Local Liabilities	359
Remitting State and Local Income Taxes	359
Remitting Other State Liabilities	359

Remitting Other Payroll Liabilities	360
Workers Comp	360
Preparing Your 941/943 Form	360
Creating a 941/943 Form	361
Checking for Errors	363
Saving and Re-opening an Unfinished Form	363
Printing Form 941/943	364
Preparing Annual Returns	364
Preparing State and Local Annual Returns	364
Preparing the 940 Form	365
Preparing the 944 Form	365
Printing W-2 Forms	366
Tax Form Worksheets in Excel	369
Setting Report Options	370

Chapter 19 • Journal Entries	373
The QuickBooks Journal Entry Window	374
Creating Journal Entries for Changed Accounts	376
Creating Journal Entries for Depreciation	377
Creating Accounts for Tracking Depreciation	377
Using Journal Entries to Post to Outside Payroll Services	379
Transferring Money to the Payroll Account	379
Recording the Payroll	380
Recording Liabilities	381
Creating Your Own Payroll Entry Template	382
Reconciling the Payroll Account	382

• Part Three

• Financial Planning and Reporting

Chapter 20 • Accountant's Copy	385
Understanding the Accountant's Copy	386
Creating an Accountant's Copy	386
Saving the Accountant's Copy on Removable Media	387
Sending an Accountant's Copy to the QuickBooks Server	387
Choosing the Dividing Date	389

Merging the Accountant's Changes into Your File	391
Canceling the Accountant's Copy	393
<hr/>	
Chapter 21 • Creating Reports	395
Using the Report Center	396
Drilling Down for Details	397
Standard Financial Reports	398
Trial Balance	398
Balance Sheet	398
Profit & Loss Report	400
Cash Flow Reports	401
Activity Reports	404
Sales Reports	404
Vendor Reports	404
Inventory Reports	405
Employees & Payroll Reports	405
Banking Reports	406
Accountant & Taxes Reports	406
Reporting by Class	406
Voided and Deleted Transactions Reports	407
Voided/Deleted Transactions Summary Report	407
Voided/Deleted Transactions Detail History Report	407
Company Snapshot	407
Client Data Review	409
External Accountant	410
Creating an External Accountant	410
Converting an Existing User to an External Accountant	411
<hr/>	
Chapter 22 • Customizing Reports	413
Customization Starts with a Built-in Report	414
Customizing Report Display Settings	415
Selecting the Report Basis	415
Selecting Columns	416
Advanced Options	416

Filtering Report Data	418
Customizing Report Headers and Footers	420
Customizing Report Fonts & Numbers	420
Memorizing Customized Reports	422
Using a Memorized Report	422
Using Memorized Report Groups	423
Processing Report Groups	424
Adding Standard Reports to Memorized Reports Groups	424
<hr/>	
Chapter 23 • Budgets and Planning Tools	427
How QuickBooks Handles Budgets	428
Types of Budgets	428
Budget Data Is Saved Automatically	428
Creating Multiple Budgets	429
Deleting a Budget	429
Understanding the Budget Window	429
Tasks to Perform Before You Start Your Budget	430
A Word About Balance Sheet Budgets	430
P&L Budgets	430
Create the Budget and Its Criteria	430
Enter Budget Amounts	432
Using Budget Entry Shortcuts	432
Creating a Budget from Last Year's Data	435
Customer:Job Budgets	435
Class Budgets	437
Budget Reports	438
Budget Overview	438
Budget vs. Actual	439
Profit & Loss Budget Performance	440
Budget vs. Actual Graph	440
Exporting Budgets	440
Exporting Budgets to Delimited Text Files	441
Exporting a Budget Report to Excel	441
Importing Budgets Back into QuickBooks	441
Projecting Cash Flow	442

Chapter 24 • Year-End Procedures	445
The Year-End To Do List	446
Reconciling All Bank, Cash, and Credit Card Accounts	446
Inventory Stock Status	446
Fixed Assets	447
Payroll	447
Running Year-End Financial Reports	448
Profit & Loss Reports	448
Year-End Balance Sheet	449
Issuing 1099 Forms	449
Checking the 1099 Setup	449
Using the 1099 Wizard	450
Vendor 1099 Review Report	451
1099 Summary Report	452
Checking for 1099 Errors	453
Printing 1099s	454
Making Year-End Journal Entries	455
Getting Ready for Taxes	456
Check Tax Line Information	456
Calculate Other Important Tax Information	457
Using TurboTax	458
Closing Your Books	458
Understanding Closing in QuickBooks	458
Closing the Year	458
Creating a Year-End Backup	459

• **Part Four**

Managing QuickBooks

Chapter 25 • Printing, E-mailing, and Managing Documents in QuickBooks ..	461
Setting Up Printing	462
Configuring Form Printing	463
Configuring Check Printing	465
Printer Settings vs. Printer Options	468

Printing Transaction Forms	469
Printing Transactions As You Create Them	469
Previewing Form Printouts	470
Printing Transaction Forms in Batches	470
Printing Checks	472
Printing Each Check As You Create It	472
Printing Checks in Batches	473
Reprinting Checks After a Problem	474
E-mailing Forms and Reports	474
Setting Up E-mail	475
Sending E-mail	476
Document Management	477
<hr/>	
Chapter 26 • Managing Users and Permissions	479
Why User Logins Are Important	480
Understanding Passwords	480
Creating Complex Passwords	480
Storing Passwords Safely	481
The QuickBooks Admin	482
Adding or Changing the Administrator Password	483
Creating a Challenge Question for the Admin Account	484
Resetting the Admin Password When You Forget It	484
Adding Users	485
Deleting a User	486
Editing User Information	486
Setting User Permissions	486
Special Permissions Needed for Customer Credit Card Data	487
Configuring Special Areas of QuickBooks	488
Configuring Rights for Existing Transactions	489
Users Can Change Their Own Passwords	489
QuickBooks Login Dialog	490

Chapter 27 • Managing Your QuickBooks Files	491
Deleting Company Files	492
How QuickBooks Loads Company Files	492
Deleting the File	493
Eliminating Deleted Files from the Company File List	493
Backing Up and Restoring Files	494
Backing Up	494
Scheduling Backups	499
Restoring a Backup	502
Testing the Restore Process	504
Using a Portable Company File	506
Creating a Portable Company File	506
Restoring a Portable Company File	507
Verifying and Rebuilding a Company File	508
Cleaning Up Data	509
Understanding the Data Removal Procedure	509
Running the File Cleanup Utility	509
Removing All Transactions with the Cleanup Wizard	512
Updating QuickBooks	512
Configuring QuickBooks Update Service	513
<hr/>	
Chapter 28 • Customizing QuickBooks	515
Customizing Settings and Options	516
Accounting Preferences	516
Bills Preferences	518
Checking Preferences	518
Desktop View Preferences	520
Finance Charge Preferences	522
General Preferences	522
Integrated Applications Preferences	526
Items & Inventory Preferences	526
Jobs & Estimates Preferences	526
Multiple Currencies Preferences	527
Payments Preferences	527
Payroll & Employees Preferences	528

Reminders Preferences	528
Reports & Graphs Preferences	529
Sales & Customers Preferences	532
Sales Tax Preferences	533
Send Forms Preferences	533
Service Connection Preferences	533
Spelling Preferences	534
Tax:1099 Preferences	535
Time & Expenses Preferences	535
Customizing Transaction Templates	536
Basic Customization of Templates	537
Additional Customization of Templates	539
Using the Layout Designer	542
<hr/>
